SIR,

I have the honour to state that so far I have received no intimation of any kind regarding the Viceregal visit though I understand that His Excellency the Viceroy will pass through the district both on the outward and the inward journey. I therefore request to be kindly informed of the programme of the said journeys and also as to what action, if any, I am expected to take. The main lines of railway are within the jurisdiction of the British Government and if it is expected that I or any of my officers should inspect the railway line or be present on the railway platform of any of the stations at the time the Viceregal train passes through, I request that the necessary permission for our presence within the railway premises on the occasions in question may kindly be obtained and communicated immediately.

2. I understand that the Inspector General of Police is corresponding with the District Superintendents of Police, Kolar and K.G.F. regarding the men to be detailed for special duty along the railway line and outside the district; but I have had no information myself fully on this point.

I request the favour of very early instructions in the matter.

I have the honour to be,
sir,
your most obedient servant,

Deputy Commissioner,
Kolar District.
